[Mission](#)

[Values](#)

Fahad Al Sharq (FAS) has been delivering trusted air conditioning and electro-mechanical solutions across the UAE since 2003. We specialize in **A/C installation and maintenance, supply of units, electro-mechanical works, plumbing, and sanitary services, supporting both residential and commercial developments.**

We are proud to state that we are professionals with hands on experience to lead Towers, Luxury Villas, Apartments, Residential Homes, Factories and Hotel Contractors throughout the Emirates for A/C maintenance work, Supply and Installation of **A/C units and Electrical Systems associated with all kinds of premises.**

ABOUT US

To become a regional leader in the air conditioning industry, offering diversified solutions that cover all aspects of HVAC services. We are committed to delivering high-quality products, superior service, and real value for time and investment.

VISION

Our mission is to build long-term partnerships based on trust, mutual respect, and reliability. We work closely with clients, engineers, subcontractors, and suppliers to ensure exceptional performance and complete **customer satisfaction in every project we deliver.**

MISSION

CHAIRMAN'S MESSAGE

Our dreams and strategies are diverse and with the support of the rulers of the Emirates, FAS is now one of the largest conglomerates in the UAE. Our values and standards of services lie at the heart of FAS's character & trustworthiness.

“CUSTOMERS DON'T EXPECT YOU TO BE PERFECT, THEY DO EXPECT YOU TO FIX THINGS WHEN THEY GO WRONG”

Teamwork

We believe strong results come from working together. Through collaboration and shared responsibility, our team turns challenges into strengths and individual efforts into collective success.

Customer Focus

We strive for total service excellence by consistently exceeding client expectations. Customer satisfaction is at the core of everything we do, and quality workmanship remains our top priority.

THE SHARJAH SPECIALISTS

Our **Sharjah** team represents the gold standard in technical excellence. Specialized in high-performance AC Installation and Maintenance, they are the hands-on experts ensuring your comfort in the UAE's demanding climate.

- Experts in **HVAC**: Specialized diagnostic and repair skills.
- Rapid Response: Localized service for Sharjah and the Emirates.
- Proven Results: Trusted by luxury villas and **high-rise towers**.

THE SHARJAH SPECIALISTS

More than just **AC specialists**, this team delivers comprehensive site solutions with the reliability FAS is known for.

- **Diverse Skillset: Mastery in Plumbing, Painting, and Civil Works.**
- **FAS Standards: Every project is delivered on time, on budget, and to the highest quality.**
- **Our Promise: We don't just provide service; we provide solutions that last.**

THE DUBAI SPECIALISTS

Our **Dubai**-based team is expertly trained to handle the unique demands of the city's high-end infrastructure. With a focus on Private Residential Works and high-capacity **AC systems**, they deliver precision where it matters most.

- **Ductwork Experts:** Specialized in design, cleaning, and maintenance for optimal air quality.
- **Private Sector Focus:** Tailored services for luxury villas, apartments, and private offices.
- **Proactive Maintenance:** Ensuring **consistent cooling** in Dubai's most prestigious properties.

THE DUBAI SPECIALISTS

Precision Performance & Care

Beyond basic repairs, our Dubai team provides an integrated approach to property maintenance, ensuring that every private project is handled with the utmost professionalism.

- **Advanced Maintenance:** **Comprehensive AC** health checks to prevent breakdowns.
- **Bespoke Private Works:** Custom electromechanical and civil solutions for private clients.
- **The FAS Standard:** Delivering the highest quality finishes and reliable technical support on every site.

DUBAI BIKE TEAM

Fast-Response Technical Support

Our specialized Bike Team is the key to our "service-first" **philosophy in Dubai**. By navigating urban traffic with ease, they ensure that help arrives exactly when you need it, minimizing downtime for your private and commercial properties.

- **Rapid Response:** Engineered to bypass city congestion for faster on-site arrival.
- **Emergency AC Support:** Swift dispatch for urgent maintenance and cooling failures.
- **Maximum Efficiency:** Equipped with essential tools for immediate diagnostics and fast-track repairs.
- **Unmatched Mobility:** Providing seamless coverage across the most high-traffic areas of the city.

DUBAI BIKE TEAM

Redefining Response Times

Our motorcycle units are strategically positioned to provide the fastest technical support in the industry. By **eliminating the delays** of city traffic, we ensure your private works and AC maintenance are handled with unmatched speed.

- **Traffic-Proof Service:** Navigating **Dubai's busiest corridors** to reach your doorstep faster.
- **On-the-Spot Solutions:** Rapid arrival for urgent duct inspections and cooling repairs.
- **Private Work Specialist:** Delivering discreet and efficient service to luxury residences.
- **Reliability on Two Wheels:** The same **FAS quality** standards, delivered in record time.
